What does 'fit to travel' mean?

Any existing medical condition(s) you have are stable and controlled by any treatment you're receiving and/or medication(s) you have been prescribed.

There's no known likelihood of:

- Medical tests.
- Investigations.
- Variation of treatment for any existing medical condition(s) taking place.
- Variation of medication for any existing medical condition(s) taking place.

You're not awaiting surgery for any diagnosed medical condition.

You're not experiencing symptoms of an existing medical condition which could mean that your trip could be cancelled or cut short.

Please note:

There is no cover under this insurance under Section 1 - Medical benefits nor Section 4 - Loss of deposits, cancellation or curtailment if you are not fit to travel on:

- a) the date of booking any trip and either paying for the trip in full or paying the initial instalment or deposit towards the final cost of the trip;
- b) the date(s) you pay any further balance(s) or instalments towards the final cost of the trip; and
- c) the date of departure on the trip

You may continue to purchase this insurance and travel, provided you are not travelling against GP advice, and you are fully aware, should your condition not be stable and well controlled, or you are aware of anything in the points shown above, that there is no cover for medical benefits or loss of deposits, cancellation or curtailment relating directly or indirectly with that condition or event.
